

YOU ARE INVITED TO PARTICIPATE

REDESIGNING OTTAWA - TRANSITIONING TO A RESILIENT FUTURE PART II

**Creating a Citizen's Action Plan on Peak Oil, Climate Change,
Energy, Food and Water Security for the City of Ottawa**

Saturday, January 24, 10:00 am - 3:00 pm
Richelieu-Vanier Centre, 300 Des Peres Blanc Avenue, Vanier
(in a larger room!)

This is the second of four workshops to create a draft action plan that will be presented to the City of Ottawa as a citizen's voice for action.

Morning Presentations:

"From Impacts to Adaptation: Mississippi Watershed in a Changing Climate", report by the Mississippi Valley Conservation Authority from their 2008 Climate Change workshops, which focused on the local Ottawa area impacts of climate change (speaker to be confirmed). A discussion will follow. To read the report see: <http://mvfn.ca/wordpress/wp-content/uploads/2008/11/from-impacts-towards-adaptation-mississippi-watershed-in-a-changing-climate.pdf>

City of Ottawa's "Choosing Our Future" process, by coordinator Anna Hercz.

Afternoon:

Roundtable small group working sessions. We will look at where we need to be in the future and how we get there using a systems approach to identify opportunities, and address challenges and obstacles with innovation and creativity.

Please bring your own lunch.

Hot and cold beverages, fruit and dessert will be provided.

There will be a small registration fee of \$5.00 at the door.
There is free parking, and OC Transpo Route #5 stops right outside the entrance.
(If the bus strike is still on, please contact me and I will help to make other arrangements for you.)

**Please RSVP to Heather Hamilton at
613-826-2190 or hhamilton@magma.ca before January 20th.
Maximum 60 participants**

Presented by:

Canadian Biodiversity Institute

Funding provided by the Ontario Trillium Foundation, Community Foundation of Ottawa,
City of Ottawa (CEPGP), and the Ken and Debbie Rubin Fund
